INCOME STATEMENT: At this time, it is unnecessary to make a detailed report of income, which will be required a few months before admission. Now you are asked only to respond to the following questions. HUD identifies a maximum income per year (counting all sources) allowable for admission here. This applies especially to the year of admission. This year, the maximum income allowable is \$41,000 for Single, and \$46,850 for Double. If at present, your income is greater you may still apply, because by the time of your admission either your income may decrease or HUD may increase its maximum.

Please answer: "My present income is: greater than, or less than the maximum established by HUD."
