

ANNUAL REPORT 2022 & 2023

Dear Friends:

As we reflect on the past two years, I am filled with immense gratitude for the unwavering monetary support of our nonprofit organization's mission.

Aldersbridge Communities relies on the generosity of others to give of their time, talent and treasure. This has been instrumental in enabling us to provide a myriad of compassionate care services and programs to so many deserving low-income elders who live in our Communities throughout Rhode Island.

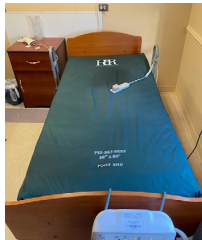

Financial donations, grant opportunities and other funding directly impact the lives of our residents, staff and their families. Together, we are making a meaningful difference for those who rely on Aldersbridge in so many ways.

Looking ahead, we will continue our legacy of providing high quality, affordable skilled nursing, rehabilitation, assisted living, independent living, and community-based navigation services for older adults. Our vision for elevating the model of care and increasing our capacity to serve more elders throughout their golden years is truly inspiring.

Thank you for being with us on this journey.
Sincerely,

Elise S. Strom
Director of Development, Public Affairs & Philanthropy
Aldersbridge Communities

ANNUAL HIGHLIGHTS AT A GLANCE

The Champlin Foundation grant purchased new electric beds for residents living at Linn Health & Rehabilitation in **2022**.

The Ruby W. & LaVon P. Linn Foundation grant funded the renovation of the kitchen shared by both Winslow Gardens and Linn Health & Rehabilitation in **2023**. This enabled an enhanced and more sensory dining experience as residents can smell the food being cooked, select from several meal choices, and enjoy food served at the appropriate temperature in a community atmosphere.

The Adding Life to Years Gala was held in person for the first time after three years of being virtual in **2023**, raising more than \$85,000. The focus was on the affordable independent living community Aldersbridge Communities is developing for LGBTQ+ elders located in the Rumford section of East Providence.

The Harriet Ballou Charitable Foundation grant enabled the purchase of a new resident shuttle bus vehicle for outings, shopping, etc. in **2023**, which enhances independence, socialization and well-being.
